

*In addition to tracking all equipment purchased with University funds with a cost of \$1000 or greater, the School of Pharmacy and its academic departments will also inventory the following equipment purchased with University funds costing less than \$1000:

- Equipment that can reasonably be described as a computer, including iPads, tablets, etc., but currently excluding smartphones.
- AV equipment \$500 or greater.

** Campus definition: Laptops, Tablets, Audio/visual equipment, NCA's located in a residence
