Universal Activity Number: 0025-0000-21-085-H04-P

Target Audience: Pharmacy preceptors in all practice settings.

Activity Type: Knowledge

At the conclusion of this activity, the pharmacist participant will be able to:

1. Describe strategies preceptors may employ to enhance the rotation orientation process.
2. Compare methods that may aid in increasing efficiency when orienting learners.

Available as an online module at: <https://pharmacy.umaryland.edu/about/offices/elp/online-preceptor-development-modules/>

CPE Credit: 0.5 contact hours (0.05 CEUs)

Fee: There is no fee for pharmacy preceptors to participate in this activity.

Instructions for Activity Completion: Preceptors may take this recorded module by clicking on the web link. After viewing the module in its entirety, participants must complete a post-test and complete an activity evaluation in order to receive credit. A record of CE completion will be posted to the participant's CPE Monitor Profile within 60 days of completion of the activity.

Release Date: July 1, 2021; Expiration Date: July 1, 2024

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is supported by the University of Maryland School of Pharmacy. No additional financial support was provided for this activity.
