Student Counseling Center

COUNSELING

Short-term individual counseling can help students increase self-awareness and understanding, resolve problems, and learn new skills.

[Learn more](#)

CONSULTATIONS AND REFERRALS

Sometimes you may not be sure what you need or have concerns about another student. We can help you find where you need to go or help assist in these situations.

[Learn More](#)

MEDICATION

The UMB Student Counseling Center provides psychiatric and medication evaluations as well as medication management when appropriate, after an assessment with a therapist.

[Learn more](#)

WORKSHOPS

Workshops for students are held throughout the academic year. These can be helpful for many concerns and goals, such as sharing experiences or learning new skills.
