

Antimicrobial Stewardship in Long-Term Care Facilities Kick-Off Summit

Date: September 14, 2018

**Handelman Conference Center • 7090 Samuel Morse Drive, Suite 400.
Columbia, MD 21046**

Description

The Antimicrobial Stewardship in Long-Term Care Facilities Kick-Off Summit is intended for pharmacists, physicians, nurses, or other individuals who have interest in these topics. This learning activity is designed with CE sessions and networking opportunities. The CE sessions are interactive, knowledge- based and focus in the areas of optimization of antimicrobial therapy and promotion of antimicrobial stewardship programs in long-term care facilities within an interprofessional practice framework.

Antimicrobial Stewardship in Long-Term Care Facilities Kick-Off Summit

Date: September 14, 2018

Handelman Conference Center • 7090 Samuel Morse Drive, Suite 400.
Columbia, MD 21046

Learning Objectives

At the completion of this knowledge-based activity, the learner will be able to:

1. Discuss the CDC Core Elements of Antibiotic Stewardship in Long-Term Care Facilities (LTCFs).
2. Identify goals and expected outcomes of the Maryland Train the Trainer program.
3. Describe solutions to challenges to effective stewardship in LTCFs.
4. Discuss strategies for implementing an antimicrobial stewardship intervention in LTCFs.
5. Describe collaborative strategies for health care professionals to optimize antimicrobial stewardship outcomes in LTCFs.

Disclosures: It is the policy of the Continuing Education Offices at University of Maryland Baltimore to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. In accordance with this policy, all persons in a position to control activity content of continuing pharmacy education activities must disclose their financial relationships with commercial interests relevant to the content of the CPE activity. The following faculty report financial relationships with commercial interests:

Dr. Heil has received research grant funding from ALK-Abello. Dr. Zarowitz has received research grant funding from Acadia Pharmaceuticals, Inc.

Grant Support: This activity is presented by the Peter Lamy Center on Drug Therapy and Aging and is supported by a grant from Maryland Department of Health – Prevention and Health Promotion Administration.

Continuing Education Credit

CPE

Universal Activity Number: 0025-0000-18-112-L04-P

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). This activity meets ACPE criteria for six contact hours (0.6 CEU) of continuing education credit. Successful completion of this activity requires signature on the sign in sheet, participation in all sessions, and completion of an online activity evaluation. The evaluation form must be completed within 7 days of the conclusion of the activity. Documentation of continuing education credit will be posted to participants' CPE Monitor accounts within three weeks of the activity.

CNE

Nurses may receive 6.0 contact hours (6.0 hours of pharmacology credits) for completing this activity. To receive a CE certificate, participants must sign in at the registration desk, attend the entire lecture, and complete the online evaluation survey. Participants will receive a CE certificate via email from the University of Maryland School of Nursing within two to four weeks after fulfilling all requirements. All requests must be received within 30 days of the activity.

The University of Maryland School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CME

The University of Maryland School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: The University of Maryland School of Medicine designates this Live activity for a maximum of 6 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
