University of Maryland Shore Medical Center at Easton

219 S. Washington Street

Easton, MD 21601

Tuesday, March 20, 2018

With 112 licensed beds, and a 20-bed acute inpatient rehabilitation center, University of Maryland Shore Medical Center at Easton serves primarily Caroline, Dorchester, Queen Anne's and Talbot counties; its secondary service area includes Kent County. Its Emergency Department serves as many as 40,000 patients a year.

Talbot Hospice

586 Cynwood Dr.

Easton, MD 21601

Wednesday, April 25, 2018

Talbot Hospice is a model for community based hospice care at the end of life. Since 1981 we have cared for patients and their families with dignity and respect. We offer comprehensive hospice care in your home, in nursing facilities and at Hospice House. We provide nurses, spiritual support, a bereavement center, family services and compassionate well trained volunteers. *"We Celebrate Life Every Day."*

Chesapeake Woods Center

525 Glenburn Avenue

Cambridge, MD 21613

410 221-1400

Tuesday, May 1, 2018

Located in the historic town of Cambridge on the Maryland Eastern Shore, Chesapeake Woods is situated at the end of a tree-lined residential street. The Center's Transitional Care Unit offers clinical and rehabilitative care for those requiring a short stay. Long Term Care is also offered and the Center has a secure Homestead Unit for those needing dementia care.
