

PANDEMIC: The Impact on Health Care Systems and Older Adults

Two Virtual Learning Sessions

December 2, 2020 | December 9, 2020
4:30 – 6:30 p.m.

DESCRIPTION

Our world changed in the spring of 2020 when the COVID-19 pandemic was declared. It is vital for health care practitioners to stay informed of the current situation regarding diagnosis, treatment options, research and strategies in prevention of spread. This series will provide an overview of COVID-19 and impact on health care systems. The impact on older adults and the strategies and challenges in telemedicine will be discussed.

This activity has been approved for AMA PRA Category 1 Credits™.
