

Seniors Health and Wellness Mini Fair

Sponsored by Garden of Prayer Christian Church and the Center for Successful Aging at MedStar Good Samaritan Hospital

Free health screenings for adults 65 and older for blood pressure, balance assessments, and mini-cognitive assessments.

Join us to learn more about the services the Center for Successful Aging provides for older adults with chronic or complex medical conditions and social service needs, including medication management, dementia and caregiver support, and tips for successful aging.

Saturday, September 14 | 1 to 3 p.m.

Garden of Prayer Christian Church
1148 Homestead Street
Baltimore, MD 21218
(Free parking available)

Giveaway tote to the first 150 participants
